'Tooth fairy' approach to problems is opposed by O'Neal during visit

By GARY SCHNEIDER
 of the Press-Record
 "It has finally dawned on (President) Jimmy Carter that he doesn't trust Russia. He still believes in the tooth fairy," an outspoken Lt. Governor Dave O'Neal told a gathering of about 50 persons as he visited Granite City Thursday.

O'Neal, candidate for U.S. senator, officially opened the GOP's headquarters for the Quad-City area at 1933 Edison Ave., at 11:30 a.m. Thursday and then had lunch with about 50 local bankers, businessmen and friends at Alexander's Restaurant.

At the luncheon, O'Neal spoke candidly about what he feels should be done to change America, economically and militarily.

"It is as important to change the U.S. Senate as it is to change presidents in the White House. For 26 years, Democrats have controlled the Senate. All the president can do is veto, and I praise Gerald Ford for all of his vetoes."

"If we could add nine seats this election, for the first time in 26 years, the Republican Party would control the U.S. Senate," O'Neal said, adding, "I think we can do it."

"I don't think it would be possible to take full control of the House of

Representatives this year, but great strides can be made. I think Americans are ready for the change."

"The nation is foundering under tremendous economic woes. Washington tells us the oil companies and OPEC are causing it. That's hogwash!" O'Neal said, referring to West Germany, which imports most of

its oil and still has a low inflation rate. "The government is the cause of inflation. Who benefits from inflation? Only the government alone," he said.

O'Neal said people often ask him how he can hope to strengthen the military, give tax cuts, increase revenue sharing, make other proposed improvements, and still balance the federal budget.

"I respond, how can you not do it? We must do it."

"Decreasing taxes is not inflationary. In real dollars, the blue collar worker

has not had an increase (in wages after inflation) in 10 years. Small businesses have not had an increase (in real profits) in 10 years."

"It's because of a Democratically controlled Congress," he contended.

ENERGY POLICY NEEDED

O'Neal said the nation still does not have a viable energy program.

"The Democrats are conducting a fear campaign. It's time we woke up. We have a lot at stake in this election."—O'Neal

Research on alternate types of fuel should continue, "but we have to become independent of OPEC today. We have to encourage people to conserve. We need to use more coal and more Illinois coal."

"Where the air quality allows it, we are going to have to reduce the emission standards for a short time. We provide incentives for industry to add scrubbers and so forth. We are not doing that," the candidate said.

"Stop nuclear power? We can't do it."

WITHOUT MINCING WORDS, Lt. Governor Dave O'Neal tells a luncheon gathering of about 50 persons Thursday afternoon that he feels the Democratically-controlled Congress the last 26 years had led this country into financial chaos, has allowed our military might to

deteriorate and failed to properly manage our energy resources. O'Neal said the country is ready for a change and the voters are likely to elect enough Republicans Nov. 4 to give the GOP control of the U.S. Senate.

Moose Club, State Savings office, industrial park OK'd

By BILL WINTER
 of the Press-Record

Granite City Plan Commission approval was voted Thursday afternoon for a new Moose Lodge 272 location, a future second office site for the State Loan and Savings Association, and development of the Donald Partney Sr. Industrial Park.

The favorable votes will be submitted to the City Council tomorrow night for concurrence.

Moose members plan to construct a new club building on Maryville Road south of the present city limits and north of East 23rd Street. The ten-acre

site has 315 feet of frontage on Maryville Road and is described as at a southwest corner.

Parking facilities, ball diamonds and a playground area will be provided by the club. The building will contain meeting rooms and a banquet area, and its activities will include varied gatherings, dinners and dances.

Annexation and rezoning were authorized by the commission.

C-1 commercial zoning instead of the present R-1 residential was approved for State Loan, which plans a colonial-style headquarters building at 3502-04 Nameeki Road, across the street from

the Schnucks Market. The existing State Loan office at Niedringhaus and Edison avenues will remain in operation.

The site on Nameeki Road was referred to as the location of the former Amos Rode residence. It is owned by the savings association, and zoning approval is needed before submission of the plan to federal officials.

An architect has not yet been retained for the one-story structure that is to be built. Parking space is included in the proposal.

The new industrial park will be located at Rock Road and Illinois Route Three on land where Miles Laboratories once intended to construct office facilities. It will be named after the late mayor of Granite City and will be developed by his sons, Don Jr., David and Dan.

Discussion brought out that the tract is near a 15-acre area designated as a future recreational park.

Sewers are to be installed at the industrial park. The land already is zoned for business use, and the initial tenant will be a warehouse for a towel cleaning firm, the commission was told.

The Plan Commission rejected a request for C-1 commercial zoning at 3000 Buxton Ave., where Mickey Loftus had proposed to create a family-type, restaurant in a building that has had an upholstery business under a non-conforming use permit. Located on a 40x150-foot corner lot at Leonard

Street resurfacing beginning tomorrow

Granite City residents who live on oiled and chipped streets are being asked not to park their cars on the streets this week during a street department resurfacing program.

"We have 50,000 gallons of oil to spread, which should last us through Friday," Street Superintendent Lionel Portell said.

"I can't say specifically which streets will be resurfaced. We are going to do those which need it the worst, until all the oil is gone."

"I hope everyone who lives on an oil and chipped street will refrain from parking his car on the street all this

week, in case it is one of the streets we decide to resurface," Portell added.

Crews will begin tomorrow morning in West Granite City and east of Edwardsville Road, behind Granite City Steel, Portell said.

Workers then will proceed throughout the city, oiling and chipping the streets in the worst condition, he said.

"When someone parks his car on the street, it causes us real problems getting it moved or moving it. This is probably the only notice many people will get, so I hope they will consider it important to keep their cars off the street this week," Portell concluded.

WE'RE GOING TO HAVE WHAT?

Granite City Photographer Ed Sedej caught Lydia Cox of Edwardsville conferring with a woolly worm on how severe the weather will be this winter. Just what Miss Cox learned from the furry creature, she isn't telling. However, she did admit that she plans to sharpen the runners on her

sled and stock up on an extra pair of mittens. A senior at the University majoring in business, with a concentration in computer science, Miss Cox also works as a student photographer when she is not attending classes. Sedej works as a student photographer, as well as working part-time for the Press-Record.

Zoning changes in near future

By BILL WINTER
 of the Press-Record

Members of the Granite City Plan Commission have a "wish list" and they learned Thursday afternoon that their hopes may be realized soon.

Their wishes center around adapting the zoning ordinance to more nearly meet the kinds of questions and problems they regularly confront at zoning meetings in the City Hall. A planner who attended Thursday's session said he may complete a revised draft of such an ordinance by late this week.

With five classifications already established for residential proposals, commission members said during the September meeting that it would be a big improvement if a similar variety of designations, or even a greater number, can be devised for business and commercial zoning.

They noted that neighbors sometimes would not mind one type of business next door, but fear that a subsequent corporate tenant might be less compatible with their property.

Tom Wobbe, a senior planner with the Southwestern Illinois Metropolitan and Regional Planning Commission (SMARPC), prepared the initial draft of a revised zoning ordinance, and

changes in it that were recommended by commission members could not be made in time for consideration at the August meeting.

Wobbe said here Thursday afternoon he was putting the finishing touches on the document and would provide copies

Boy Scout Troop 7 plans busy year

Boy Scout Troop 7 of St. Joseph's Catholic Church will enter its charter year with 20 scouts and 12 adults. Troop 7 is sponsored by the church, with Father Victor Chateaufort, pastor, as executive officer. Scoutmaster is Robert Manzer and Dr. John Vasiloff is scouting coordinator.

Troop committee members are Jim Miller, Chris Miller, Steve Kusmierczak, Ann Kusmierczak, Lynetta Hegge, Larry Falbe, Gloria Falbe, Dianna Markovich and Karl Makovich.

Scouts were made ready for the upcoming charter year by re-electing the senior patrol leader, Life Scout Steve Kusmierczak.

In turn, he appointed troop officers, Assistant Senior Patrol Leader Phil Kimbrel and Assistant Senior Patrol Leader and Leadership Corps Richard Schierling.

Kusmierczak also appointed scouts to troop staff positions including Quartermaster Star Scout Reuben Garcia, Scribe Mike Mainridge, Troop Historian Kevin Williamson, Chaplain's Assistant William Falbe, Librarian Jim Whitwell and Instructor Mark Mainridge.

Troop 7's three patrols elected patrol leaders: Cobra Patrol, Jeff Kittell; Flaming Arrow Patrol, Tony Jordan and Panther Patrol, Karl Markovich.

At September's troop committee meeting, Kusmierczak presented the troop's program for the upcoming charter year.

The new program features five hikes, including one "bike hike"; seven outing activities; six service projects consisting of two service projects each for sponsor, community and senior citizens; four com-

munion masses, three which are to be held at St. Joseph's and one to be held at Sacred Heart and four court of honors and 28 nights of camping.

The troop's scheduled camping adventures for the upcoming charter year are: December—barn camping adventure; January—Lions Den winter camping adventure; February—scouts' weekend retreat; April—Lincoln weekend camping adventure; May—Army Depot camping adventure; May—spring camporee; June—summer camp, 1981; July—Carlyle Lake camping adventure; August—Mick's Lake camping adventure; September—Père Marquette camping adventure and October—fall camporee.

At September's troop committee meeting, the committee voted to support the troop's program for the new charter year.

Enterprise Day planned Oct. 3

Oct. 3 has been designated as American Enterprise Day by both a presidential proclamation and a joint resolution of Congress.

President Carter cites the "American enterprise system as the 'cornerstone of our nation's economy.'"

He urges business, labor, other groups and the general public to "observe Enterprise Day with activities that promote appreciation of the free enterprise system and its benefits."

To publicize the date and encourage nationwide participation, the Chamber of Commerce of the United States, a federation of more than 100,000 businesses and business organizations, is stressing the advantages and opportunities made possible by the enterprise system, giving Americans "good reason to celebrate."

"When you wake up to America's free enterprise system, you wake up to new opportunities every day," the group states, noting that more than 15 million businesses are in operation in the U.S., providing jobs for 82 million people and creating three million new jobs yearly.

American business also pays \$1 trillion in wages, and billions more in benefits, taxes and donations.

Goal of Enterprise Day is to "help get our nation back on the trade, economically, politically and militarily in the 1980s."

HIGH POINT trophy for 6 years and under was won by Angela Sue Judd, 6, who scored three first places, four second places and two third places in the contest. She is the daughter of Mr. and Mrs. Larry Judd of Venice.

FIRST PLACE WINNERS in the Miss Summertime Contest at Granite City High School South also included, left to right, Melissa Simpson, 5, Janis Burkhardt, 7, Bertha Muir, 12, and Jaclyn Greer, 15. Not shown is Bridgette Box, 7. Competition was in various categories and age groups, with contestants ranging from preschoolers to twirlers in their late teens.

MOST POINTS among 7-to-10-year-olds were collected by Julianne Jasudowicz, 9, who won 14 awards, including five first places, six seconds, two thirds and one fifth place. Her parents are Mr. and Mrs. Richard Jasudowicz of Mitchell.

100 twirlers compete in GC

including five first places in intermediate instate solo, beginner fancy strut, parade majorette, duet and trios.

She also received six second place awards, two thirds and one fifth place and won first places in team and dance twirl competition.

Julianne won the high point award in the 7-to-10-year-old segment of competition. Angela, 6, a second grade student at St. Mary Parochial School, Madison, scored the highest number of points in the beginner contest for those under 6 years.

She received a total of nine trophies, including three first place awards in instate solo, parade majorette and beginner fancy strut. Her other achievements resulted in four second place awards

and two third place trophies.

Both children have been entered in contests throughout the summer months, such as the Illinois State Fair, and won first place trophies and ribbons.

Other local first place winners and their events were:

Jaclyn Greer, 15, daughter of Mr. and Mrs. Jack Greer, Rural Route One, intermediate instate pageant modeling and dress modeling, intermediate solo twirl, advanced military march, advanced basic march and scored first in the twirl off against all intermediate twirlers 6 to 20 years old. She also received three second place trophies.

Bertha Muir, 12, daughter of Mr. and Mrs. James P. Muir of Venice, dress modeling, Sharold's Shadows dance twirl team and Shadows twirling team, and six other trophies.

Miss Melissa Simpson, 5-year-old daughter of Mr. and Mrs. Larry Simpson, 4856 Warnock Ave., dress modeling and four other trophies.

Bridgette Box, 7, daughter of Mr. and Mrs. Rick Box, 703 Huntleigh Court, military march in pageant modeling and five other trophies.

All the winners mentioned are students at the Sharold Yount School of Baton in Granite City.

Lions clubs plan 28th candy days

The 28th annual Lions of Illinois Candy Days for the blind and deaf will be held throughout the state on Friday and Saturday, Oct. 10 and 11.

Lions Clubs throughout Illinois will give away candy and accept donations to raise an anticipated \$1,250,000 to help the blind, visually

handicapped, deaf and hearing impaired.

Local Lions Club presidents, Elmer Wortham of the Granite City Lions Club, Bill Gushieff of the Madison Lions Club and David Schermer of the Pontoon Beach Lions Club are expected to name their 1980 club Candy Day chairmen next week.

"We are asking businessmen, or individuals, to help pay for the cost of the candy we give away on Candy Days," said Lion I-G Deputy District Governor Donald D. Patrick of Pontoon Beach.

"The cost of candy is \$28.80 per case, and every case paid for means that much more money that can go for direct services to the blind, visually handicapped, deaf and hearing impaired," he continued.

"Those who help by underwriting the cost of candy will be given shareholders certificates to show their

concern for others."

"We hope all citizens will give generously, because there is more than just another 'fund-raiser,' Patrick said. "It is a major one to help the blind and deaf, and it is a concerted effort by 85,000 Lions in 670 clubs all over Illinois."

Many programs and agencies depend on Candy Days, he said. First, Candy Days funds are used in the Quad-City community to help with service projects for those with visual and hearing disorders.

Therefore, when you drop a dollar in the canister, you are giving to your own community and its welfare," he added.

Candy Days funds also are channeled through the Lions of Illinois Foundation, 1515 N. Harlem Ave., Oak Park, Ill., the charitable arm of the Illinois Lions Clubs. The foundation administers programs for the benefit of all citizens in the state and

awards grants to deserving agencies.

Administered programs include a mobile glaucoma screening unit, mobile hearing services unit, Camp Lions for children with visual and hearing disorders, an eye donor registry, a social services and referral program, to act as ombudsmen for the blind and deaf, hearing aid bank and used eyeglasses collections for redistribution to poverty areas all over the world.

"More than 10 million Americans have significant, uncorrectable vision disorders, and more than 15 million Americans are plagued with hearing disorders," Patrick said. "We hope everyone in the Quad-Cities will give generously."

Rubena Chapter meets at church

The Rubena Chapter of the Armenian Relief Society met last week at St. Gregory Armenian Church Hall with President Varujan Cerkian presiding.

Mrs. Mary Bedian, who represented the local chapter, presented the Armenian Relief Society Convention report held in Toronto, Canada.

The membership will have an election for the new Executive Committee at the next meeting, it was announced.

After refreshments, Mrs. Berjough Habeshian, wife of Rev. Khoren Habeshian, pastor of St. Gregory Armenian Church, closed the meeting with a prayer.

APPEARING HERE Monday night, Sept. 29, at a public benefit dance for the Grady White family is the Philthy McNasty Band, whose members, from left to right, are Dave Summers, Vincent Kwiatkowski, Duke Dauer and Russell Peters. Proceeds from the dance, scheduled at the Croatian Home, Madison, from 7 p.m. until midnight, will aid the White family.

Benefit dance Sept. 29 for Grady White family

By VALERIE EVENDEN

The Philthy McNasty Band will appear at a benefit dance Monday, Sept. 29, to aid the Grady White family of Granite City, it was announced today.

The public is invited to attend the event from 7 p.m. until 12 midnight, Sept. 29, at the Croatian Home, 10th Street and Madison Avenue, Madison.

Lisa White, 16, was killed, and her father, Grady White, 51, twin sister, Lori, and younger sister, Leslie, 12, were seriously injured in a traffic accident which occurred Aug. 11 on U.S. 187 in southwestern Wyoming, about 14 miles north of Rock Springs, Wyo.

Francisco Acuna, 23, of Rock Springs has been charged with two counts of vehicular homicide in connection with the accident.

A second person killed in the crash was Kevin Gordon Jones, 18, of Kingwood, Tex., who was a passenger in a pickup truck, also involved in the fatal crash.

Authorities said Acuna's speeding car struck the rear end of the pickup and skidded into the opposite lane, slamming head-on into the Whites' van. Lisa, who was driving the van, was killed instantly.

Mr. White suffered a fractured skull and other injuries. He remains in a coma at Utah Medical Center in Salt Lake City.

He had been moved from the intensive care unit for about a week and

a half, but was returned to ICU last Wednesday when he began encountering respiratory problems, according to a family member.

Lori, 16, who had been in a coma for several days, is now "doing pretty well. She also is a patient at the Utah Medical Center. "She is walking and talking to some extent and is taking therapy," the relative said.

It is too soon to assess the amount of permanent damage the young girl may have suffered, the physicians said.

Leslie, 12, is now home, but wearing a full body cast as a result of the fractures she suffered in the accident. She was brought back to Granite City, by plane, through the efforts of Granite City Firefighters Local 253, which donated \$1,200 for her plane fare and \$300 to help defray the expenses of moving her.

"Leslie is doing great," her aunt, Mrs. Jodie White, said Friday. "She is the only one who was conscious throughout the entire thing (accident), but she is really coming along."

Despite the setback in Mr. White's condition, the family still hopes he can be transferred from the Salt Lake City medical center to a St. Louis hospital in two or three weeks.

Lori would come with her father at that time, the aunt explained.

Friends of the White family have established a fund at American Heritage Bank and donations may be sent

there to help the family meet its medical bills and transportation costs.

"People have been wonderful," Mrs. White said. "I don't know how we could have made it so far without their prayers and donations to the fund," she added.

Finkley, a friend of the White family, is arranging the Sept. 29 dance to help bolster the Grady White Family Fund. Tickets, costing \$7.50 each, include beer and setups and may be obtained at all three Granite City fire stations and at Granite City Boat and Motor, Rural Route Two, Mitchell.

Mr. White, an employee in the Cold Strip at Granite City Steel, has been raising his five daughters alone since the death of his wife six years ago. Two older daughters were not with the family when the accident occurred.

At that time, the Whites were enroute to Yellowstone Park to pick up daughter Linda, 18, who had been working at the national park during the summer months.

A fifth daughter, Roxie White, 23, also resides in Granite City.

The Philthy McNasty Band currently is performing at the Viking Restaurant and Lounge in St. Louis.

The group will appear at Charlie's Restaurant here, starting Sept. 30.

Band members include Russell Peters and Duke Dauer, both of Granite City, Vincent Kwiatkowski of Johnson City, formerly from here, and Dave Summers of Cahokia.

First meeting of Golden Agers Club

The Golden Age Circle Club held its first fall pot luck dinner meeting at the Kirkpatrick Homes Recreation Center, attended by 51 members.

After welcoming members and guests, President Ruby Corbitt gave the invocation. The afternoon prize was won by Belle Keherer, the business and birthday meeting is planned for Tuesday, Sept. 23, it was announced.

Honorees for the day were Mrs. Corbitt, Caroline Lux, Martin Schulte, Jennie Moody, Edith Young, Vi Lindner, Art Linner, Grace and Edgar Paddock, Peggy Gibbons and Marilyn Stevens.

After dinner the meeting adjourned so the group could attend the picnic and dance given by the Granite City Park Board at the ice rink pavilion.

WINS \$5,000 PRIZE

George Chall, Florissant, Mo., has won a top prize of \$5,000 in the Illinois State Lottery's \$1 Instant Three for the Dough game. Chall won the \$5,000 when he uncovered 1, 2 and 3 on his ticket. He bought it at Town & Country Drive-Inn, Rural Route Two, Box 1098, Granite City.

Zoning board plans hearings

The Madison County Zoning Board of Appeals will hold three on-site public hearings on zoning requests in Quad-City area township tomorrow.

The first hearing will be at 10:10 a.m. Tuesday at Old Cemetery Road and Wasman Lane, in Chouteau Township, where Roscoe E. and Mayne A. Duncan and Lawrence W. And Kathy Andrews are requesting a special use permit to place a mobile home for up to five years. The property is zoned for agricultural use.

At 10:40 a.m. tomorrow, the board will meet at 4152 Division St., near Pontoon Beach, where Rose Patrick is requesting a special use permit to place a mobile home and a permit to construct a garage on the property. The lot is in Nameoki Township and is zoned R-3 for single-family residential use.

At 11:25 a.m. tomorrow, the board will meet along Chain of Rocks road, east of the Chain of Rocks Canal Bridge, behind Riechmann Enterprises, where Glenn

Riechmann and Doyle Husband are requesting a variance to store goods and materials for the business. Husband Contracting, outside of the building. The property is zoned B-3 for business use.

Free flower drying, preserving session

The Granite City Park District will sponsor a free session on drying and preserving flowers at 7 p.m. Thursday, Oct. 2, at the Nameoki Recreation Center, Amos and Franklin avenues. The class was offered last year and proved so popular that the repeat program was arranged, a park spokesman advised.

Mrs. Warren Decatur, a talented local artist, will present the one-night demonstration. She will explain the drying and preserving process and show various methods of displaying the flowers in arrangements.

After the hearings, the board will meet at the county courthouse in Edwardsville to reach its recommendations. The county board will be asked at its October meeting to consider the recommendations.

"Early October is a very good time to hold a session on drying flowers, as there are still many fresh blooms available," Mrs. Decatur said. A question and answer period will follow her demonstration.

Registration is necessary to attend the free class. Those wishing to enroll are asked to call 877-3059, or stop in person at the Wilson Park office.

This session will be the first of many activities to be offered residents of the park district during the fall and winter months, the spokesman said.

within a week to the commission. After study by the commissioners and consultation with realtors, attorneys and businessmen, the plan group will hold public hearings on the ordinance prior to submitting its recommendation to the City Council. Commissioners noted that the volume of traffic, parking space, noise and pollution can vary sharply, depending on the type of business that is to be

operated. They called for perhaps eight or nine business classifications instead of the two zoning categories outlined in the first draft of the ordinance revision. Commission Chairman David Morgan and members of the plan group have said they hope to emphasize complementary land use, and discourage pairings that can create friction and impair property values.

University registration is extended

It is not too late to register for fall quarter classes at SUE, according to Gene Magac, acting director of admissions and records.

Registration for fall quarter classes has been extended for the benefit of individuals who may have been out of town on regular registration days and for those who may have made up their minds to attend classes too late to register. Late registration will be held in Room 1308 of the John S. Randleman Building today through Thursday from 8:30 a.m. until 7 p.m. and Friday from 8:30 a.m. until 4:30 p.m.

New students must be admitted to the university prior to registering. To be considered for admission, individuals must be a graduate of an accredited high school or must have passed the General Educational Development (GED) test.

Those who wish to enroll in classes for their own enrichment may participate in the Educard program. The program allows members of the community to find out what a college credit course is like without making a long-term commitment. Through the program, individuals are able to attend selected credit classes on a space available basis.

The fee for Educard is \$15 per quarter, and an Educard holder may enroll in as many courses as he or she likes during a single quarter. Educard students do not receive grades or academic credit.

Course listings and other information concerning the Educard program may be obtained through the Office of Continuing Education by telephoning 692-3210. The classes are also listed in the current schedule of class offerings available in the Office of Admissions and Records.

"People interested in taking classes for credit should apply for admission immediately," Magac said. Admission applications are available from the SUE Office of Admissions and Records.

Two attend bank session

Two Granite City bankers were among those attending the 36th annual session of the two-week Graduate School of Banking at the University of Wisconsin-Madison in late summer.

The school is sponsored by the Central States Conference of Bankers Associations for 16 Midwestern states. About 1,550 bankers were enrolled this year from 41 states, Puerto Rico, Honduras and Mexico. To be listed as a graduate of the school, a banker must attend three of the annual two-week sessions and satisfactorily complete extension problems between the resident sessions. A faculty of more than 160 instructors this year included bankers specializing in a number of fields, as well as lawyers, business executives, economists and college professors.

Attending were Thomas E. Holloway, First Granite City National Bank, and E. A. "Drew" Karandjef Jr., Granite City Trust and Savings Bank.

This is a risk-taking society. I could be hit by a truck when I walk out of here. We have to make nuclear energy as risk-free as possible, but we have to have it. We have the technology to dispose of nuclear waste," he added. He said many of the government's current pricing policies on oil are counter-productive. "OPEC is raping us and we are closing down oil wells here in the argument over what is new and what is old oil, which have a different price."

"Over 50 percent of our energy resources are under federal lockup," he contended.

MILITARY TUTTED
"We can't have peace through weakness. President Carter has cut our defense and scuttled the B-1 bomber so we can't deliver a Titan missile where it is needed."

"Salt II is a bad treaty. It's not in the best interests of the country. If we sign Salt II, there will be no need for a Salt III treaty. We are closer to war now than 10 years ago," the lieutenant governor said.

He noted that when the Russians put missiles into Cuba in the mid-1960s, President John Kennedy launched the full military against Cuba and Russia and Russia decided to meet Kennedy's demands that the missiles be removed.

"Now, when President Carter asks the Russians to take their troops out of Cuba, Russia says, 'No.' When your capabilities are limited, so are your options."

"I am as afraid of a nuclear holocaust as anyone in this room, in this world," O'Neal stated, but added that fear is one of the reasons America must again become strong militarily.

CHANCE FOREIGN POLICY
"Our foreign policy is just ludicrous! The problem is it baffles our allies and

'Tooth fairy'

(Continued from Page 1)

encourages our enemies to test our resolve and that's dangerous," he stated, using several examples, such as Israel, "where we promised our allies one thing and then did something else." O'Neal concluded his talk, stating, "The Democrats are conducting a fear campaign. It's time we woke up. We have a lot at stake in this election. I think the 1980s will be one of the best times in America's history and I want to be part of it."

A question and answer session followed with O'Neal fielding questions on many subjects.

He said it is difficult to compare his platform and that of his opponent in the Senate race, Democrat Alan J. Dixon. "He says different things in different areas. I have a whole briefcase full of clippings showing his flip-flopping," O'Neal contended, citing changes in Dixon's feelings on a grain embargo, the draft, tax cuts and other topics.

O'Neal said the main difference between him and Dixon is that Dixon is a "yes" man. He said when Dixon wanted to run for the Senate before, "the machine said no, and he didn't run." When he wanted to run for governor, "the machine said no, and he didn't run," O'Neal contended.

In answers to other questions, O'Neal said he:

—Supports a right to life amendment.
—Would support controls on the U.S. Supreme Court, if they did not restrict the court's ability to do its constitutional job.

—Opposes controls on imports, except when there is evidence of dumping products at prices undermining American products.

—Would try to reduce excess federal regulation on businesses and individuals. "There are 41,000 regulations on hamburger. The regulations in-

crease the price of hamburger by 11 cents per pound," he contended.

Currently, \$100 million is spent each year for public relations people in government, including \$2 million for propaganda by the regulatory agencies, he said. "I would put one person in charge of monitoring those regulatory agencies and reporting back to Congress. Regulatory agencies should protect the consumer and protect the free enterprise system. They are forgetting the second," the candidate added.

—Supports expanding the revenue sharing program, possibly to the extent that the states just distribute the money without sending it first to Washington. "The local and state governments can do better. We can eliminate a lot of middlemen."

—Supports local control of funding for welfare, schools and other agencies and services. "Let Granite City take care of Granite City's indigents. Let the school board decide how its money should be spent. We can eliminate a lot of middlemen, who are extremely expensive, and still give more and better and more sensitive help than the federal government can," O'Neal said.

However, he admitted, "I am pragmatic enough to know we can't do it, but ultimately, we have to."

Among the Republicans present at the luncheon were Ron Davinroy, candidate for U.S. Congress from the 23rd Congressional District; Don Weber, candidate for state's attorney; Larry West, candidate for county auditor; Bill Hardin, candidate for circuit clerk; State Rep. Everett Steele, unopposed candidate for re-election, and Dr. Felicia Koch of Granite City, candidate for county coroner.

Eric Robertson served as master-of-ceremonies for the luncheon and O'Neal was introduced by Steele.

Nameoki Road and the rear of 3712 Nameoki Road, zoning will be changed from the current C-2 commercial classification to R-2 single-family residential use.

The commission approved municipal annexation of Lot No. 7 of the Third Addition to the Town and Country East residential subdivision.

A delegation present to oppose a mobile home under consideration at 2900 W. 20th St. was referred to the City Council, which has jurisdiction on such matters; the commission acts on issues involving new mobile home parks.

Those attending Thursday's meeting to speak on the mobile home topic said they wanted to remove their signatures from an approving petition, due to apparent changes being made in what had been proposed originally.

The Plan Commission authorized

Avenue, the structure has 1,800 square feet.

Seven persons were in attendance to protest against the restaurant proposal, and a petition against the plan had 100 signatures.

A woman representing the opponents told the commission there was concern in the neighborhood over possible traffic congestion, parking problems, odors, trash and noise. She said there was a proposal that customers might indirectly use an adjoining residential driveway that is not a part of the corner lot.

In other business, the commission approved construction of a duplex residence by Cecil Simpson at 2903 Buxton Ave., an 80x100-foot lot. Zoning is to be changed from R-3 single-family to R-4 multiple-family.

Cahokia throws wrinkle in South's plans, 14-6

By KEVIN ALLEN
of the Press-Record

GRANITE CITY — Before the football season started at Granite City South several things seemed certain. Now, after the Warriors 14-6 loss to the Cahokia Comanches Friday, nothing does.

A pre-season look at the Warriors' schedule promised more than a challenging season with teams such as Hazelwood Central, Belleville Alhott, and Alton lined up, and South's 6-2 start was not entirely unexpected.

But the third game of the season was the conference opener. Against the likes of Cahokia, better times seemed around the corner.

So what happened?

The Comanches had the laughter. It simply ran all over the Warriors. Against a team that finished last season with an 0-8 record, South spluttered and stalled.

"There's no doubt that Cahokia is improved. They're a lot stronger — more fundamentally sound than last year," said South head coach Stan Wojcik. "But going in you gotta figure we're gonna win."

"I never anticipated what happened."

Neither did anyone else. That's the point. No one expected Cahokia to run all over South using two or three basic plays. No one expected South's running game to be non-existent, or the passing game to be limp as it was. But both were, and the Warriors paid for it all night.

Cahokia could have beaten South using one basic play and one ball-carrier, and that's not far from what it did.

The play — a pitch out.

The runner — Mike Jerome.

Not only did Jerome score both of the Comanches two touchdowns, he did most of the yard-gaining in between.

Jerome's first touchdown capped a 12-play, 76-yard, five-minute drive during which he carried the ball nine times.

He would simply pivot from his tailback spot, take the pitch from quarterback Aaron Jones about three yards back, and race toward either corner, then upfield.

Of Cahokia's 314 total yards, 228 came on the ground and Jerome accounted for most of those.

"They only used maybe two plays against us," Wojcik said. "But they executed well. What happened was we shut it down outside. Our ends didn't give him the corner, but when he came back inside the ends didn't get much support."

While two plays may have been enough for Cahokia, South used a bagful of different calls all without much success. South's running game for example, netted a negative three yards in the first half, 14 total.

South's passing game tried 21 times to balance things out, but completed only seven passes for 77 yards.

Sad figures for a team which thought the offense would lead its success. "We worked everywhere on our offense," Wojcik said. "We worked from 45 minutes to an hour a day in practice this week on offense alone."

Aside from an occasional spark of life, though, the Warriors looked dead. South's only score came with 19 seconds left in the game. Cahokia had just increased its lead to 14-0 and was trying to run out the clock when it lost the ball on the South three-yard line.

Warrior Mark Clark scooped up the ball, and South had one last chance. On the first play from scrimmage, quarterback John Linhart completed a three-yard pass to tight end Scott Buchmann. A two-point conversion run failed.

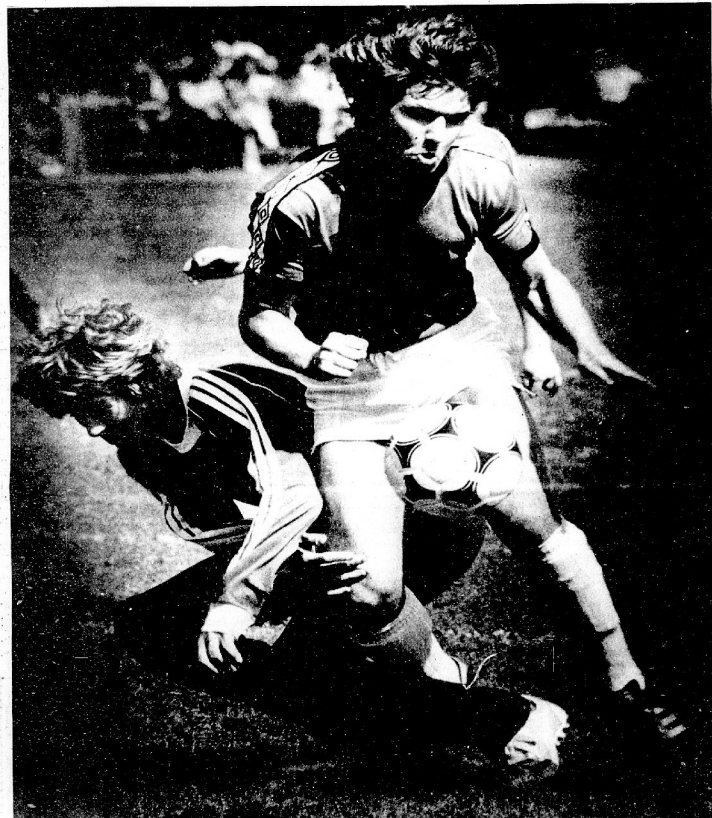

The touchdown hardly mattered at that point, though, because four minutes earlier Jerome's second touchdown had sealed Cahokia's victory. This time Jerome scored from the four-yard line after a 16-play, 80-yard drive.

This time Jerome carried the ball 12 times, making it look easy.

Despite the Warriors' surprising loss, and weak start, Wojcik warned not to expect major changes. The temptation may exist, but such a move would be unwise, Wojcik said.

"We're trying to go as long as we can with the people we've got. We have shifted people around to different positions, but you can't make wholesale changes. You just have to wait."

"These kids have given they're best effort. You simply don't make wholesale changes."

OH, BROTHER! Granite City South's Phil Popmarkoff (right) powers his way past the Belleville East goalie Saturday afternoon in his

team's 3-0 win. The collision knocked the ball out of the goalie's grasp and Popmarkoff was whistled for a foul on the play.

Steelers steam way to romp over Oilers

By TOM SCHOCKER
of the Press-Record

GRANITE CITY — It's not always a good idea to stand in front of a charging elephant. Friday night at Granite City South field, the Wood River Oilers made the mistake of positioning themselves in front of some charging Steelers. The results: they were trampled.

Kevin Buchanan looks like he's to prove something. He certainly has made his point. The six foot, 185 pound senior running back carried the ball 16 times for Granite North and rambled 145 yards while scoring two touchdowns. He helped the Steelers power their way to a 28-7 crushing of Wood River.

For North, it was its third consecutive blow-out for a season record of that is yet to be blemished at 3-0. The same way the Steeler's campaign progressed in 1979 before they fell to a 4-5 mark.

"You've got to be happy with 3-0, but you can't look back," said North head coach Tom Wyrostek. "You have to look at the next games. Last year, we lost our quarterback and Buchanan to injuries. That was just about the time we started losing."

The 1980 season could prove to be different. The Steelers are blessed with a healthy Buchanan and a healthy gun in senior quarterback Danny Patterson. Wood River found out early just how healthy Buchanan really is.

Receiving a rather short punt from the Oilers, North began play on its own

46 yard line. Buchanan scrapping up 40 yards thus far in the contest, drove the ball out to the Wood River side of the field at the 49. On the ensuing play, he found a hold in the defensive line and stormed in the touchdown. With 5:12

Photo, pg. 8

remaining in the second period, the Steelers were riding on a 14-0 margin. For all practical purposes, the game was over.

The North defense bottle-necked the Wood River Running game, shutting them down to a mere 27 yards on the ground. Most of the Steelers hits were for losses with the longest gain for the Oilers being 11 yards. "We neglected our offense this week," said Wyrostek. "To work on the defense, though."

The crew on defense was helped with punter Michael Long's deriving spirals. Long booted a number of outstanding punts with a couple ranging of 54 and 60 yards that just did make it in the end zone. But he found his touch when he placed a 32 yard kick on the Oiler 3 yard line.

"Our running game has not been good," said Wood River head coach Bill Perry. "We have a young front line. But I was pleased with our pass blocking. They did fairly well."

Taking to the air was Perry's only alternative and Oiler quarterback Terry Levan came through. Com-

pleting 9 passes on 20 attempts, Levan threw for 117 of Wood River's 144 total yards. "We took advantage on what they gave us," said Perry. "Levan has improved. He's just a junior and you can't be disappointed in a guy that threw like he did. You don't see some pros do that."

It took a lot more yardage from Levan and Wood River to equal Buchanan's output. Not wasting any time, he cranked it up again with 9:37 left in the third quarter. Once more it only took the Steelers two plays to score, when Buchanan broke loose on a 50 yard dash.

"We didn't execute on offense that well," said Wyrostek. "But Buchanan is a pretty good running back. The first two games he gained over 180 yards in each. The offensive line helped. There is a lot of talent on it."

Buchanan's second touchdown gallop opened up what was a relatively tight contest. "It's really disappointing," said Perry. "This is what happened to us last week. We couldn't afford to key on one certain man. I don't like to sell out defense like that. We face good running backs every week."

Working on the whole Steeles backfield wouldn't have helped Wood River as North ripped off 233 total yards on the ground. Buchanan's efforts might have over-shadowed two other fine performances for the Steelers.

Rich Bauer chalked up 67 yards running and finished off North's scoring

Freak accident postpones game

Goal, Steelers stopped

H A Z E L W O O D — Somebody'd better call "Ripley's Believe It Or Not!" quick.

Things were going along on schedule here Saturday evening at Granite City North - Hazelwood Central junior varsity soccer game. The jayvee players were scampering around on the field, kicking and running and passing. The varsity teams were off in the distance, warming up. Juggling, passing and stretching.

But just then, something happened that put a fly in the ointment, so to speak.

Just 15 minutes into the junior varsity game, Hazelwood Central put on a rush toward the North goal. A Hazelwood player ran toward the net at full speed, hoping to get a pass good enough to head in for a goal.

Still racing at break-neck speed, the Hazelwood player dove into mid-air, hoping for the header. But he didn't get it. The Steelers' goalie caught the ball instead.

Then came one of those split-second scenes that seem to last for minutes and go in slow-motion. The Hazelwood player, realizing he couldn't stop and was about to crash into a chain-link fence behind the goal, did the only thing he could think of to keep from it. He reached up and grabbed the netting of the North goal to stop his trajectory.

One of the goal uprigths, however, didn't go along with his plan. Unable to stand the stress, it cracked. In turn, the crossbar cracked and fell to the ground. The coaches of the two teams worked to reposition the damage, but could not. The game was called and the varsity match was postponed.

"I've been in soccer for 44 years and I've only seen this

happen twice," said North coach Bob Kehoe. "It was really strange."

Then Kehoe added. "We (the coaches) could probably have made it work (the repairs), but then we got to thinking about injuries and lawsuits. And neither of us can afford a lawsuit. So we're tentatively rescheduling the game for the week of October sixth through eleventh."

The weird happenings of Saturday in Hazelwood came on the heels of a North victory Friday afternoon at McCluer North, 2-0.

The young Steelers ran their record to 6-1-1 on the season with their victory over highly-touted McCluer North. Granite North earned the victory the hard way.

Getting excellent goaltending from Rob Chapman, the Steelers were inspired. Despite being outshot 11-8, Granite was ahead in the only category that counts in the end — the score.

Both Steeler goals came in the first half. Robert Szles made it 1-0 at the 21:00

minute mark when he scored on a free kick. The score stayed that way for 14 minutes.

Then, at the 35:00 minute mark, Steve Trittschuh scored an unassisted goal to make it 2-0 and for all intents and purposes, put the game out of reach.

Chapman made eleven saves in the Granite North nets. McCluer goalies made four. Granite North had the edge in corner kicks 3-2. A total of 25 fouls were called, 12 on Granite North and 13 on McCluer North.

Host Edwardsville Tuesday

South ho-hum winner

GRANITE CITY — When you're the defending state soccer champions, every game on the schedule is important. Everyone guns for you. But there are some games that take on a little less importance than others. For example, Granite South has a crucial contest

with Edwardsville on Tuesday. Surprising Edwardsville tied South two weeks ago. First, though, South had to handle a Belleville East team at home Saturday. A good time to tune up, which they did very nicely 3-0.

"I was not really pleased

with the game," said Baker, "but it is another shutout. I was trying to play in preparation for our next game. We didn't do too well, so we'll have to practice it on Monday."

The Warriors jumped on the scoreboard early, so they had ample time to work on the things they need for Tuesday. South didn't even let the Lancers loosen up as Dave Paz blasted a shot at the Belleville goalie. The ball eluded the keeper and Paz immediately pounced on it, sending the ball through for the score.

Tim Dix got credit for the assist as the goal came with just barely 33 seconds elapsed in the opening period.

If not a team preparation, Paz was making sure he got ready for the Tigers. He finished off the Warriors scoring with a little help from the Belleville defense. Paz, connected with South's third tally late in the second quarter. Rifling a shot, the Lancer defense tried in vain to stop the blast. But unfortunately for them they helped the situation by

deflecting the ball into the goal.

"Dave Paz did a good job for us," said Baker. "He is a flexible player and plays many positions. He tries to do what's best for the team. You really have to give credit to our backfield. They did a good job today."

That may be an understatement. With the majority of the contest being played in Belleville's end of the field, the Warriors kept the Lancer goalie on his toes. Firing 34 shots, South forced Belleville's Deuse to come up with 12 saves. Which is more than you can say for Warrior goal keeper Joe LeMaster.

If there need be a time for a good of practice in preparation for Tuesday's contest, Saturday's was certainly not. LeMaster was only required to save one shot. Maybe that is because Belleville could only manage to get off two shots.

Paz had hoped to dominate this game," said Baker. "I think Belleville will be a factor in the future. But we are really looking forward to Edwardsville on Tuesday."

Ball, Harper power Trojans to second win

Special to the Press-Record
MADISON — Maybe Al Von der Haar has got something going here.

Von der Haar's Madison football Trojans, after beating Quad County Conference rival Breese Central last week, won their second straight game of the season at home Friday night, downing Perryville (Mo.) St. Vincent 22-13. And they did it convincingly.

It was the running backs' night. Trojan ball-toter Willie Ball ripped through the St. Vincent defense for an outstanding total of 137 yards on the ground. Teammates Bernard Harper and Ken Briggs picked up 95 and 65 yards respectively. And that's not all. Diminutive Madison quarterback Billy Papa threw the ball 11 times, completing three for 55 yards. Madison's 350 yards of offense in one game is practically more than last year's 0-10 Trojans amassed all season long.

Madison had itself a 14-0 lead in the second quarter before St. Vincent made it to the scoreboard. In the first period, Harper capped off a

Trojan drive with a one yard run into the end zone. He added the two-point conversion himself on a run and it was 8-0.

Harper scored his second touchdown of the game in the second quarter when he pounded in from six yards away. The two-point conversion try failed.

St. Vincent was able to narrow the Madison lead to 14-7 on its next possession. Tom Modde scampered in from nine yards out. Joe

Tucker kicked the extra point.

But that's when Madison put the game out of reach. Tall (6-6) Trojan receiver Mark Zarr hauled in a Papa pass from ten yards out to cap another Madison drive in the second period. Ball carried the ball in for the extra two points and it was Madison 22, St. Vincent 7 at halftime.

Even though Madison failed to score in the second half, the Trojans nonetheless

were impressive. The defense held St. Vincent scoreless. The visitors' only score of the half came when St. Vincent's Dave Rousseau picked off an errant Papa pass and ran 52 yards for the touchdown. The two-point conversion run attempt failed.

Aside from that one interception, Madison played near-flawless football. And that could be the key to the Trojans' dramatic turnaround. That and a little confidence.

Madison kickers down Lebanon in loop game

MADISON — The Madison High soccer Trojans ran their record to 2-1-1 and 1-1 in Mid-South Soccer Conference action here Saturday with a 1-0 win over Lebanon.

(It didn't take Madison long to get the only goal it needed. at the eight minute mark of the first quarter, Trojans

Byron Parker took a pass from teammate Darnell Dixon and put it into the net for a 1-0 lead.

Madison outshot Lebanon 15-8. The Greyhounds, however, had the edge in corner kicks 4-3. Lebanon was whistled for 15 fouls. Madison, for 10. Lebanon goalies had to make six saves, while Madison's

goalkeeper had to make only one.

HEADERS — Madison's next action will be Tuesday on the road against Waterloo in a conference game. Next weekend (Sept. 28-29), the Trojans will participate in the annual Lebanon Tournament.

Althoff comes up short 14-7

Special to the Press-Record

BELLEVILLE — Belleville Althoff came up on the short end of a 14-7 overtime defeat at the hands of highly-touted Hazelwood Central Saturday night at Township Stadium.

Hazelwood's Shawn Johnson bolted in from seven yards out in the overtime and his defensive teammates held off a valiant Crusader drive to preserve the victory. Althoff quarterback Jeff Junker was driven out of bounds on the one yard line on a fourth down situation by the Spartans' defense.

Althoff scored first on a one yard run by Junker in the first quarter for a 7-0 lead. The Crusaders' drive was highlighted by a 39-yard run by Don Schaefer and a 21-yard one by Keith Chambers.

Hazelwood scored the tying touchdown with 2:44 remaining in the third

quarter. That's when the Spartans used a bit of razzle-dazzle. Quarterback Darrell Schaefer passed to Robert Minor at the Althoff 30 yard line, who handed off to Johnson just before being tackled. The Johnson scampered the remaining 30 yards for the TD.

Smith wins Outlaws feature

By JEFF EAVES for the Press-Record

GRANITE CITY — Tri-City Speedway track promoter Gil Rimmel held the second Midwest Sprint Spectacular at the local speedway here and Danny Smith of Hendersonville, Tenn., won the 30-lap feature Saturday night.

Smith, driving the Gambler Chassis Co. Kenny Rogers car, took command of the lead from his front row starting spot and led every lap to take the \$2,000 first prize.

Following Smith at the finish were Kenny Schrader of Ballwin, Mo., Ronnie Daniels of Memphis, Tenn., Bobby Davis Jr., of Memphis, Tenn., Jack Hewitt of

Troy, Ohio, Tom Corbin of Carrollton, Mo., and Dean Shirley of Middletown, Ill. The first sprint car heat was won by Smith, followed by Russ Racine of Evansville, Ind., Ronnie Daniels and Tom Corbin. Steve Long of Indianapolis, Ind., won the second heat over Rick Ungar of Memphis, Tenn., Bobby Davis Jr., and Brad Renshaw of Carmi, Ill.

Bobby Allen of Hanover, Pa., won the third heat over Dean Shirley, Vern Church of Seattle, Wash., and Tom Scott of Springfield, Ill. Terry Dees of Tulsa, Okla., won the fourth heat over Kenny Schrader, David Williams of Marion, Ill., and Mike Johnson of Martinsville, Ind.

In the fifteen lap "B" Feature Jack Zeigler of Marshall, Ill., was the winner followed by Jerry Russell of Springfield, Ill., Jerry Wiggs of Marion, Ill., Jack Hewitt and Dick Rogers of Springfield, Ill.

In the first race of the Midwest Sprint Spectacular held on Friday night at the Capital Speedway in Jefferson City, Mo., Steve Kinser of Bloomington, Ind., was the winner in the 40-lap feature over Sammy Swindoll of Memphis, Tenn., and Doug Wolfgang of Sioux Falls, S.D.

Smith finished fifth in the race and won at Tri-City Speedway, so he was the point leader going in to Sunday's race at the Illinois State Fairgrounds in

Springfield for the third race in Rimmel's promotion of the Midwest Spectacular.

On Sunday, Sept. 21 Smith won the first 25-lap feature over Ed Fench of Dallas, Tex., and Keith Kauffman of Mifflintown, Pa.

The second 25-lap feature was won by Steve Kinser over Keith Kauffman and Danny Smith so with the win here Smith is the overall winner for the three days and wins an extra \$1,000.

On Sunday, Sept. 28 at 2 p.m., the first annual Midwest 100 late model stock car race will be held at Tri-City Speedway with the nation's top drivers to be on hand, including country music star Marty Robbins who will be driving a stock car.

MARK GOLDSCHMIDT (right) an Indiana University junior from Granite City South, kicks the soccer ball past a Portland State player Friday in the Cougar Classic at SIU-E. Goldschmidt is a starting midfielder and has scored six goals on

the young season for the Hoosiers. Indiana, ranked fourth in the nation, won the Classic with a 1-0 win over SIU-E Saturday night. (SIU-E photo)

Cougars fall to Hoosiers

EDWARDSVILLE — Defending NCAA National Champion Southern Illinois University at Edwardsville ran into air old foe here Saturday night in the championship game of the Cougar Classic Soccer Tournament. And the old foe came out on top.

The SIU-E Cougars dropped a 1-0 decision to the Indiana University Hoosiers and saw their record drop to 4-1-1 on the season.

Going into the game, IU

was ranked fourth in the nation, SIU-E fifth.

While IU had a narrow edge in the scoring column, the game could really have been more lopsided. The Hoosiers outshot SIU-E 18-8 and had the edge in corner kicks 6-1.

The Hoosiers got the only goal they would need in the first half. IU forward Pat McGauley scored on a direct penalty kick at the 19:51 mark of the period after he was fouled by SIU-E's

midfielder, Leo Bourneuf. That was all she wrote.

Beside Matt Malloy's two shots, no other Cougar had more than one shot at Indiana goalie Chris Oswald. But a familiar face to Granite Cityans led the way in shots on SIU-E goalie Mark Downar.

Mark Goldschmidt, a junior midfielder for Indiana from Granite City South, blasted six shots at Downar, but couldn't solve the Cougars' veteran keeper.

Indiana's Rob Meschach had four shots at Downar. Oswald needed to make only six saves in the Indiana nets, while Downar made eleven in SIU-E's.

HEADERS — The University of Portland captured third place in the Cougar Classic Saturday night with a 3-1 victory over South Carolina. Friday night, Indiana downed Portland State and SIU-E beat South Carolina...The

Cougars' next action will be at home Friday (Sept. 26) against Hardin-Simmons University. Starting time is set for 7:30 p.m.... Their next action following that game will be at the University of Evansville (Ind.) at 2 p.m.

Sunday, Sept. 28. In a preliminary game that day, defending Illinois state high school champion Granite City South will play last year's Indiana prep champ, Reitz Memorial.

Steamers sign two key players

ST. LOUIS — The St. Louis Steamers added two more players to their 1980-81 roster today. General manager Tracey Lewke announced that Steamer fans will be welcoming back veteran Manny Cuenca and will be saying hello to newcomer Winston Hackett.

Cuenca was the Steamers' leading scorer in the team's inaugural season and became a favorite of the fans. He collected 27 goals and 20 assists during the 1979-80 campaign and tallied three game winning goals. The Spaniard signed a one-year contract with an option with the Steamers.

The 5' 6", 140 pound forward was named the Major Indoor Soccer League's Player-Of-The-Week the first week in January and was the only Steamer to gain such recognition. Head coach Pat McBride was enthusiastic about the Steamers' latest signing. "I felt it was important for us to get Manny back."

"He's one of the top players in the league and already has two years of experience playing indoor soccer. Manny possesses a good shot and is very tricky on the ball," continued McBride.

"There are a variety of ways he can score goals with a strong shot, taking on and beating another player, and dribbling his way to the goal. He really takes care of himself and is always ready

to play. Manny is a true professional!"

Cuenca, who is currently in California studying gemology, is looking forward to the 1980-81 season with high expectations. "I plan on being at least as productive as I was last year. I believe with the group of players we have returning from last year and some of the new ones, the Steamers should have a very good team."

At 31, the oldest Steamer is convinced he still has a lot of quality soccer in him. "Experience has a lot to say for itself! I know when and where to go and I know when to stay. On paper it may look like a 25 year old is stronger than I am but that doesn't necessarily mean he'll score more goals. You have to know how to use your strength in order to score. I certainly have the years of experience and knowledge to guide me towards the net!"

Hackett, a 23 year old rookie from Toronto, Canada, comes to the Steamers after playing soccer at Canada's Laurentian University for two years. As a freshman and a sophomore Hackett led the entire country in goals scored and was given first team All Canada honors both years.

McBride is convinced that the youngster, who was born and raised in Trinidad, will make his mark in indoor soccer. "Winston is very quick and deceptive which

partially explains why he is such a prolific scorer. He's a pure forward and has very good body strength. He'll definitely help us on the front line."

The 5' 8", 155 pound Hackett signed a one-year contract, with option. In a 19 country CONCACAF Tournament in 1972 the right-footer scored three goals in five minutes in a game between Trinidad and Costa Rica.

Lewke noted that the signing of Cuenca and Hackett gives the Steamers some needed strength on the front line. "Winston is noted for his quickness, strength and ball control. He has the ability to score and is a young player who has tremendous potential. He adds the speed up front that we need to keep opposing defenders honest."

"Of course, it's great to have Manny back with us. He's extremely popular with the fans and was one of our offensive players. I'm sure there are a great many people who will be happy to see him in the Checkerdom, including me! Manny told me he's looking for a better year this season than last and I'm going to hold him to that!"

With the addition of players like Don Ebert and Winston Hackett, our front line will be much more powerful and will take some of the pressure to score off Manny."

South

(Continued from page 7)
Tuesday. It will be a big game. They tied us and North earlier in the season, so I think we have something to show them."

Steelers

(Continued from page 7)
with a 1 yard run the third period. The other TD came from Darren Dewey, who had his hands full converting extra points. He nailed all the points on the Steelers initial score when he found the end zone from six yards out.

Mingled in-between Paz's pair of tallies, Robbie Mann produced probably the nicest looking goal of the afternoon, to round out South's scoring.

Rich Moore chipped an excellent crossing pass from about 30 yards out. Mann found the ball and headed a crisp shot into the goal.

Mulach to try out

CHICAGO — Granite City South graduate Greg Mulach, a freshman at the University of Miami, Ohio, has been selected to try out for the United States Junior Olympic ice hockey team. Mulach, who is attending Miami on a partial athletic scholarship, was selected to represent the Midwest at goalie in the tryouts.

The tryouts began Saturday at the Carroll Stream Ice Rink in Chicago. The tryouts will not conflict with Mulach's duties with the Miami team, whose season begins Oct. 17 against Lake Superior State.

Mulach was picked for the tryouts by a group of Junior "A" hockey coaches. While at South, Mulach was

starting goalie for the Warriors squad and was named to the Mid-States League All-Star team two years in a row. He also was a standout golfer at South.

Mulach's main exposure to college scouts and Junior "A" coaches came while he was starting goalie for the Brentwood Blazers Junior

"B" team in St. Louis. The tryouts in Chicago are being supervised by U.S. National Team coach Lou Varro. Jerseys for participants are being supplied by the St. Louis Blues and the Chicago Blackhawks.

Greg is the son of Mr. and Mrs. Jack Mulach of Granite City.

DeMolays elect Richard Miller

Richard E. Miller, a son of Mr. and Mrs. Gary L. Miller, 2207 Illinois Ave. was elected master counselor of James Stuart Chapter, Order of DeMolay, at the regular meeting last week.

"Rich", a senior at South High, is on the school's wrestling team and is a student council member. He attends and is a member of the Bethel Chapter Pentecostal Church. He has three brothers Darren, Matthew and Mark. Darren and Matthew are also DeMolays which marks the second time in the 50-year history of the local chapter that three from the same family were DeMolays at the same time.

The Lux triplets, Geoffrey, Gregory and Timothy, were the first to have that distinction. He also has two cousins "Randy" and "Jeff" who are DeMolays.

Other officers elected were: Randall K. Miller, senior counselor; Patrick E. Gibbons, junior counselor; Robert B. Hebblethwaite Jr., chaplain; and Rodney B. Jackson, treasurer. They and other appointed senior line officers as well as of junior line officers will be installed in a public ceremony on Tuesday, Oct. 21, at the Masonic Temple.

Geoffrey Wofford, present master counselor, chaired the meeting where the chapter's Current River float trip over the weekend was reported on. The father and son affair was attended

by DeMolays Geoff Wofford, Pat Gibbons, Don and Keith Payne, Jimmy Stuart, Fred Trebing, Mark Bowles, Gene Payne, Robert L. Wofford, Billy G. Gibbons, Clark E. Trebine, Donald W. Bowles and Ronald Martin.

It was announced that the chapter would have a racketball session at the downtown YMCA for the two remaining Saturdays in September from 1 to 3 in the afternoon. Also discussed was the DeMolay Mother's Club rummage sale to be held on Schermer's Garden Shop lot, 12th Street and Madison Avenue, Madison, from 9 to 3 on Saturday, Sept. 27.

Genalogical Society to meet Sept. 25

The Madison County Genealogical Society will meet on Thursday, Sept. 25, at 7 p.m. at the First Federal Savings and Loan, 100 N. St. Louis Road, Edwardsville, according to Ruth Auwarter, president.

The meeting will be a workshop where members of the organization working in other geographical areas will outline their work and bring information to the group on the best ways to research those geographical areas. Members are urged to bring their work and any particular books or other publications that may have been helpful in their search, the resident added.

Southern Illinois University offers a course, Finding Your Roots—Genealogy, on Wednesday nights from 7 to 8, Peck 0406. The course runs from Oct. 1 through Nov. 17 and costs \$30. To enroll and your name and address together with check or money order to Continuing Education, University Box 84, Southern Illinois University, Edwardsville, Ill. 62026. Telephone 692-3210 for more information. You may also enroll on the first night of the course which will be taught by Mrs. Joy Upton of the Madison County Genealogical Society.

The October meeting will be presented by Mrs. Janet Wilson of Granite City. She will outline the requirements for membership in the DAR and in the CAR.

The Madison County Genealogical Society is an organization devoted to helping people find their roots in Madison County and elsewhere. If you are interested in family history we welcome you. Membership is \$6 for the individual and \$7 for a family. Mrs. Auwarter noted.

Setting up a budget is one of the things my wife and I seem to be able to put off almost indefinitely. However, the way prices have gone up during the past year, we are now ready to take the plunge. What's our first step?

The first step in setting up a budget is to divide expenses into two categories: fixed expenses (your regular bills, house payment, note payments) and discretionary expenses (day to day expenditures). You'll be able to determine fixed expenses easily enough... put them in the budget first. To determine your current discretionary expenses, spend the next month making a careful notation of each dollar spent and how it was used. At the end of the month make a comprehensive list of these expenses. The next month, list any changes you want to make in the way discretionary income is spent. Determine those changes in advance by preparing a written budget. Stick with that budget. You'll be surprised at the changes you see when you control your money instead of it controlling you.

MR. AND MRS. GARY L. HARRIS
whose wedding was solemnized at Calvary Baptist Church. The bride is the former Miss Kathleen Claire Gilley, the daughter of Mr. and Mrs. Marion Gilley, 2350 Waterman Ave.

(Markus Studio)

Harris-Gilley nuptials at Calvary Baptist

Brass candelabra holding burning tapers, festooned with mint green and pink carnations adorned the altar at Calvary Baptist Church for the wedding on July 5 of Miss Kathleen Claire Gilley and Gary Lee Harris Jr.

The Rev. Wilburn Snider officiated at the double ring ceremony at 6 o'clock in the evening.

Wedding selections played prior to the service included "We've Only Just Begun," "If I Love You Truly," and "The Wedding Song."

The bride is the daughter of Mr. and Mrs. Marion Gilley, 2350 Waterman Ave., and the groom's parents, Mr. and Mrs. Gary Harris, reside at 2912 Dogwood Drive.

Tall brass candelabra adorned with bows and greenery marked the pews on either side of the white carpeted aisle as the bride was escorted to the altar by her father.

She wore a formal bridal gown designed in a Scarlet O'Hara style featuring an off the shoulder draping which created small cap sleeves and a skirt of Chantilly lace tiers applied with sequins.

A Juliet cap, covered with lace, was attached to the cathedral length veil edged with Chantilly lace scallops. She carried a cluster of white carnations, pink sweetheart roses, lily-of-the-valley and baby's breath attached to an open lace fan.

Serving as candlelighters were Mike Gilley and Mrs. Denise Gilley, a brother and sister-in-law of the bride.

Miss Rena Hill was maid of honor and the bridesmaids were Mrs. Colleen Barling, a sister of the bride, Miss Kimberly Harris, the

groom's sister, Miss Terri Lefholz and Mrs. Anita Wortham.

The attendants selected full length dresses similar to the bridal gown in mint green fashioned with full satin skirts.

Each girl held a lace fan decorated with white carnations and pink sweetheart roses.

Stacy Winfield and Timothy Barling, the bride's nephew, served as flower girl and ringbearer. She was dressed in a frock identical to the adult attendants.

The groom chose Scott Cathey as best man, Rivers Anderson, Jeff Anderson, a cousin of the groom, Kyle Smith and Frank Zabawa were groomsmen.

Seating the guests were Toney, John and Mike Gilley, brothers of the bride, and Biff Bywater.

Mrs. Denise Gilley presided over the guest book at a reception held at the Croatian Home, and Miss Renee Stark distributed rice packets.

A rehearsal dinner was hosted by the groom's parents at the Roundtable Restaurant in Collinsville.

Room mothers meet at school

Nameoki School room mothers met last week at the school to organize and select chairmen for each room.

Don Kopp, principal, explained the school guidelines and expectations of room mothers.

Mrs. Marlene Forbes, PTA president, welcomed the group and introduced this year's slate of officers.

They included Mrs. Shirley Etheridge, vice-president, Mrs. Bea Stevenson, treasurer, Mrs. Lee Meinenberg, recording secretary and Mrs. Barb McCoy, corresponding secretary.

Mrs. Lynn McLain and Mrs. Cindy O'Neill, ways and means co-chairmen, announced that the PTA fund making project this year will be a spice sale, which will commence on Oct. 8.

As a representative of the sixth grade room mothers, Mrs. Etheridge told the group that family pictures will be sold by the sixth graders to earn money to finance the annual yearbook as well as other special activities.

A 11x14 color portrait will sell for \$7.95 and the public is invited to take advantage of this offer. Purchase can be made by contacting any sixth grade student at Nameoki School, she added.

Refreshments were served and time allotted for individual groups to begin plans for Halloween parties.

MARRIED. Mr. and Mrs. Bruce Burnett who were married at the groom's parents home in an evening ceremony. Formerly Linda Rushing, the bride is the daughter of Mr. and Mrs. Arthur Jovi, Bethalto.

Linda Rushing becomes Mrs. Bruce Burnett

Miss Linda Rushing, a daughter of Mr. and Mrs. Arthur Jovi, Rural Route One, Bethalto, Ill., became the bride of Bruce Burnett on Aug. 6 in the home of the groom's parents, Mr. and Mrs. Norman Burnett, 3201 Carlson Ave.

The Rev. Harold Williams performed the double ring ceremony at 6 o'clock in the evening.

A reception immediately followed the ceremony at the Burnett home with Gloria Kagy attending the guest book.

The former Miss Rushing chose a formal length old fashioned style white cotton wedding gown featuring a Queen Anne neckline and fitted bodice with Chantilly lace appliques.

Her long tapered sleeves were created in matching lace and lace motifs accented the long straight skirt.

She wore a melody length veil, bordered with lace, and secured to a Juliet cap, and she held a bouquet of red roses and baby's breath.

Mrs. Dawn Wilkins served as matron of honor. She selected a floor length pastel pink dress designed with a sleeveless bodice and complemented with a matching cape.

She carried a floral arrangement of pink roses and baby's breath.

The groom chose his brother, Bradlee Burnett, as best man.

After a wedding trip to the Smokey Mountains, the newlyweds are now residing in Granite City. The groom is an employee of Granite City Steel.

MRS. PETER A. GICZEWSKI, the former Mary M. Juhasz whose wedding took place at St. Kieran's Church, Chicago Heights, Ill. She is the daughter of Mr. and Mrs. Frank J. Juhasz, 3836 Lake St.

Mary Juhasz marries Peter A. Giczewski

Miss Mary M. Juhasz, daughter of Mr. and Mrs. Frank J. Juhasz, 3836 Lake St., and Peter A. Giczewski, son of Mr. and Mrs. Valerian Giczewski, 714 Palm Drive, Glenwood, Ill., were married at 1:30 p.m. on April 12, at St. Kieran's Church, Chicago Heights, Ill.

Father Crawford officiated at the wedding, the former Miss Juhasz chose a long ivory organza gown fashioned with a Queen Anne neckline, molded bodice and long tapered sleeves accented with reembodyered Alencon lace motifs etched with pearls.

Lace appliques were repeated on the skirt which extended into a chapel train. She wore a lace and pearl cap to secure her full length veil bordered with scallop lace and she held a silk bouquet of poppies, apple blossoms and baby's breath in rose, pink and ivory hues.

Matron of honor, Mrs. Kathryn Kraus, a sister of the bride, and bridesmaids, Miss Karen Giczewski and Miss Debbie Tobuch, cousins of the groom, and Miss Cathy Crown, were dressed alike in rose color knit gowns created with open necklines and pleated skirts.

Each attendant carried silk bouquets of pink daisies, ivory carnations and baby's breath. Lisa Niemeyer and Kevin Kraus, a niece and nephew of the bride, served as flower girl and ringbearer, respectively.

She wore a pastel pink frock identical to the adult attendants and carried a miniature bouquet of daisies, carnations and baby's breath.

Charles Withers attended the groom as best man. Mark, Paul and Larry Giczewski, brothers of the groom, and Gary Panozzo, completed the corps of groomsmen and ushers.

A reception was held at Glenwood Oaks Restaurant, Glenwood, Ill., and the rehearsal dinner was at the home of the groom's parents. Mrs. Juhasz, mother of the bride, was attired in a rose knit gown and the groom's mother, selected a cranberry chiffon dress. Both wore wrist corsages of white orchids.

The bride is a South High School graduate and attended Southern Illinois University at Carbondale, where she was a member of Sigma Kappa Sorority and Society for the Advancement of Management. She is now employed for Mid-Continent, Milan, Ill.

Her husband was graduated from Homewood Flossmoor High School, received an associate degree in mechanical technology from Prairie State Junior College, Chicago Heights, and a bachelor of science degree in industrial technology from SIUC. He is presently employed as an engineer for John Deer Co., East Moline.

The newlywed couple honeymooned in Florida and are now residing in East Moline.

Take 3 minutes a year to save a lot of energy

Replace or clean your furnace filters regularly

It saves on heating and air conditioning—and gives more comfort

If you have a central air conditioning unit, the blower in your furnace worked hard last summer delivering cool air to your home. And it will be working hard again this winter.

When the filters get clogged and dirty, the blower has to work much harder. That wastes energy—and money. Most manufacturers recommend a filter change at least three times a year. See the

instruction manual for your heating and air conditioning unit.

You can replace the filters yourself in about a minute. And your hardware store or home center has the right filters for your unit. Suggestion: when you replace the filters, jot down the date on the end of the filter case. Then you'll know when they're due for a change.

News notes

Assurance was given by Belleville Area College trustees last week that there will be no reduction in services to the elderly. Dr. Warren Nieburg, dean of the Division of Community Services and General Studies, was reassigned as dean of Programs and Services for Older Persons; Associate Dean Larry Schlenker was named as dean of community services and general studies dean, a move that Interim President Bruce Wissore called "changing from a vertical structure to a horizontal structure."

Alan J. Dixon, Democratic nominee for the U.S. Senate, said during the weekend that if he is elected he will open a full-time Senate office in Southern Illinois, south of Route 40.

The summer of 1980 was the fourth hottest on record, averaging 81.3 degrees compared to 82.7 in 1961, 83.3 in 1934 and 83.4 in 1936. Autumn begins this afternoon.

Pennsylvania's April 24 lottery was rigged by injecting liquid into all numbered pingpong balls except 4 and 6, a grand jury charged yesterday.

As Director O'Connor says, "Community order, fire prevention authorities and arson investigators have long cited the difficulty of linking a building to its owner, manager or insurer. This difficulty has been an obstacle to taking remedial action to prevent accidental fires, vandalism fires and arson-for-profit. The new law will help resolve this problem."

Illinois is one of seven Midwestern states studying the potential for high-speed passenger railroad service between cities.

The Illinois Public Aid Department next month will mail notices to 700,000 welfare recipients and medical providers, explaining that no longer will aid money be provided for most abortions. The U. S. Supreme Court last week refused to reconsider its June 30 ban on use of Medicaid payments (except when the woman's life is in danger or she is a victim of rape or incest).

Gov. James R. Thompson voted Friday an investment tax credit that would have let businesses cut their state income tax by one percent for expansion or building in Illinois. He signed a law letting the Chrysler Corp. qualify for state loans of up to \$20 million.

Debbi E. Gebhardt and Tracee A. Keller, seniors at Granite City High School North, have been chosen as semifinalists in the 1981 National Merit Scholarship program. They are among 15,000 competing nationally for 4,500 scholarships to be awarded next spring.

The Madison County Board's Finance Committee has asked County Clerk Evelyn Bowles to study the lease or purchase of a centralized ballot counting system for the Nov. 4 election. She said it appears the state legislature will require counties to provide election night totals to the Illinois Board of Elections. Past manual election canvasses have taken as long as two weeks to complete. She estimates it would cost \$9,795 to lease a computer unit for this fall's election.

John Hartline, 21, of the 3800 block of Lake Drive, Pontoon Beach, was accused Friday of one count of delivery of cocaine; bond was set at \$50,000. His was one of nine arrests announced by police and a sheriff following a state and local investigation.

GUN CONFISCATED
A shotgun confiscated from a resident of the 3100 block of Aubrey Avenue at 12:20 a.m. Sunday after a single shot was fired and a yard there between occupants of two autos involved in a minor collision. A motorist said he was cut in too sharply in front of him; the second driver said the other slowed and then speeded up to prevent him from passing.

FIREARM CHARGES
James L. Smith, 24½, Hill St., Eagle Park, was charged with unlawful use of a .38-caliber revolver and failure to have a firearm license on Sept. 15 at a Saturday in the 400 block of West Third Street, Madison. Police alleged breaking up a dispute between Smith and another man.

DR. FELICIA KOCH

By BILL WINTER
of the Press-Record

Madison County voters Nov. 4 will elect a woman as coroner for the next four years.

Which woman? That remains to be seen.

The opponents are a registered nurse, Mrs. Dallas M. Burke of Alton, the widow of a funeral director; and a medical doctor, Felicia D. Koch of Granite City, the widow of a physician.

Mrs. Burke, nominated in the Democratic primary in March, has been coroner since being appointed in July 1972 and elected that November; she seeks a third term.

Dr. Koch was chosen by the Republican party during the summer to vie for the coroner office in the 1980 general election.

The incumbent coroner, 53 years old, told the Madison County Committee screening group that she has been an active public official and believes that the office is being operated efficiently and effectively despite a growing level of crime.

Formal investigations of deaths exceeded 400 in 1979, Mrs. Burke observed in interview.

After seeking the elective office made vacant by the death of her husband, she has been active for 32 years in the funeral business as an owner and manager.

She was a nurse for three years at St. Joseph's Hospital, Alton. Receiving her nurse education at St. Joseph's, she also held employment as a nurse at the former Western Military Academy in Alton.

She was born in Wisconsin and has resided in Madison County since the age of 17.

Mrs. Burke has five children. She has been active in the Illinois Coroners Association and has served as ICA district director for 20 years.

and participated in a national study of the infant sudden death syndrome.

She utilizes funeral home personnel throughout the county as coroner deputies, and is an advocate of the use of six-member coroner juries rather than heavy reliance on non-jury verdicts.

Mrs. Burke believes election of a doctor would not be an economy, since laws require that a separate pathologist be utilized.

Dr. Koch takes the position that the coroner should be a doctor. She asserts that a physician has the kind of training and experience that could be of great value in performing the duties of coroner.

The mother of six, now 72 years of age but still active and energetic, comments that "as the practice of medicine and pathology has progressed in recent years, the need for a coroner with a medical background has become greater. My 42 years as a doctor and surgeon qualify me to hold the office."

"In a county of the size of Madison County, the decisions that must be reached—as to the cause of death, the time of death, possible contributing factors, and general investigation of pathology and laboratory reports—can often make the difference in legal cases resulting from coroner findings and decisions."

"These crucial decisions should be made by the coroner based on the best medical and laboratory advice available."

Illinois mother of the year in 1966 and a St. Louis metropolitan area woman of achievement in 1965, Dr. Koch was the charter president of the Tri-Cities Area Chamber of Commerce in 1969-70 and served as president of the Madison County and Tri-City medical societies.

In 1969, she was presented the Feather in the Hat Award of the Loyola School of Medicine. She holds bachelor of science and doctor of medicine degrees from Loyola University.

A longtime member and secretary-treasurer of the medical staff at St. Elizabeth Medical Center, the Chicago native was president of the SEMC staff in 1958.

The veteran physician has resided here since 1938 and has held the positions of medical director of the Colonial Haven and Colonades nursing homes.

A deputy coroner for 15 years before seeking the elective office made vacant by the death of her husband, she has been active for 32 years in the funeral business as an owner and manager.

MRS. DALLAS BURKE

She was elected as a fellow of the American Academy of Family Physicians in 1974 and was presented the Pioneer Woman award by the Pioneer and Professional Women's Club in 1976. She has served on the United Way and Catholic Charities boards.

In the summer of 1978, she conducted primary care rounds at St. Louis University hospitals and spoke on family practice and office procedures to postgraduate medical students as a guest lecturer. At the St. Louis U. Medical Center, she participated in a primary care and clinical pathology conference.

Her professional affiliations include the American Medical Association, American Academy of Family Physicians and Illinois State Medical Society. She is listed in Who's Who of American Women and Who's Who in the Midwest.

Medical consultant to the National Foundation and medical adviser of the Mental Health Clinic board, she established a local immunization clinic in 1963 and was instrumental in organizing mass immunization programs for polio, rubella and typhoid.

Dr. Koch was president of the Community Concert Association here in 1954 and two decades earlier had been president of the Nu Sigma Phi medical sorority. At Loyola, she taught piano and was church organist.

Her many memberships have included the Catholic Physicians Guild, Birthright, Quad-Cities Social Concerns Council, Granite City Civic Chorus, St. Elizabeth Medical Center Auxiliary, Harbor Point Yacht Club, U. S. Coast Guard Auxiliary, YMCA board, Our Lady of the Snows Foundation and Sacred Heart Nursing Home.

One of her favorite sayings, a quotation from the late Dr. Albert Schweitzer, is, "Happy are those who have sought and found how to serve."

Acknowledging that her medical practice still requires a considerable amount of time, Dr. Koch says, "I have served the community and Madison County in many capacities over the years."

"I feel that the coroner's office is an excellent place for me to serve the county further, and will be pleased to find the time necessary to faithfully discharge the duties of that office."

Steps being taken in state to make arson unprofitable

Because arson is one of the most dangerous of all acts, Illinois is trying to further fine-tune its laws to curb the crime of setting fire to homes and businesses.

Legislation newly signed last week seeks to deter arson-for-profit by allowing companies to cancel fire insurance after a 10-day notice. The notice may apply to a dwelling on which repairs have not been started within 60 days after a loss claim has been paid (unless the delay was a result of a labor dispute or of weather conditions).

Included also are buildings which have not been occupied for 60 days, vacated or declared unsafe for occupancy, in which heat, water, sewer service or public lighting has not been connected for 30 days.

An owner receiving a ten-day cancellation notice can appeal for a hearing within 20 days and will have the canceled insurance extended until Illinois Insurance Director Philip R. O'Connor makes a ruling. "Hearings of this type will be held immediately," O'Connor pledged as the bill was signed into law by Governor James Thompson.

Another newly-signed law authorizes the director of insurance to require insurance firms to report to him information

collected through claim investigations after he determines that such reporting will help discourage fraud or arson. "This information can be reviewed by computer to ferret out patterns indicative of fraud and arson," O'Connor commented.

If information received by the director indicates false or fraudulent claims have been filed against insurance companies, the director is authorized to send the evidence to a state's attorney or a United States attorney. The insurance companies will have access to the information gathered by the director.

Still another new law requires owners of dwellings of more than four rooms who do not live at the address to post—not on the premises—the name, address and telephone number of the person managing the building. The posted information also must list facts about the company insuring the property.

As Director O'Connor says, "Community order, fire prevention authorities and arson investigators have long cited the difficulty of linking a building to its owner, manager or insurer. This difficulty has been an obstacle to taking remedial action to prevent accidental fires, vandalism fires and arson-for-profit. The new law will help resolve this problem."

Objects to the war against birds

To the Editor:
Thursday, Sept. 18, the day after Doomsday, it is very quiet today in my neighborhood.

Training for school bus drivers

Harold E. Briggs, regional superintendent of schools, is informing all persons who make application for an Illinois school bus driver permit that they must attend an initial 12-hour school bus driver training workshop month during the school year.

"This is a state law," Briggs said. "Any person interested in attending a specific workshop should notify the regional superintendent's office, 692-4530, to be enrolled."

"It is also a mandatory requirement for each person employed as a bus driver in Illinois to attend an annual two-hour refresher workshop after the initial 12-hour course is completed."

"Madison County has four certified instructors to conduct these workshops. We are allotted ten 12-hour workshops for the 1980-81 school year, funded by the state."

"The schedule of these workshops is set up in order to have one scheduled every month during the school year, at various locations throughout the county."

"I continue to emphasize the importance of attending training workshops for school bus drivers."

"It is a state law that each and every person so employed must attend these workshops. We keep a record of all bus driver permits that are issued, and if anyone does not comply with the state regulations, their bus driver permit is suspended until all requirements are met."

"A pre-employment interview is conducted with every applicant — to determine if he or she is qualified to drive a school bus properly — by the district superintendent or person designated by the local Board of Education."

"Each applicant should be provided sufficient practical behind-the-wheel instruction to ensure that the applicant has exhibited proficiency in the safe and proper operation of a school bus," Briggs related.

With Jerry Smith as the instructor, there will be four three-hour sessions at the Granite City bus garage, 2201 W. Chain of Rocks Road, Mitchell, from 6:30 to 9:30 p.m. Oct. 1-23-28-30, Jan. 13-15-20-22 and May 5-7-12-14.

Twelve-hour workshops also are scheduled for the next month and in February, Highland in November and April, and Alton in December and March.

borhood; not a bird is chirping. The doves accustomed to sitting on the telephone wires in the back alley are gone; the crows that sang in my flowering crabapple bush is stilled. Where are they?

The only ones that can answer that question work in the sanitation department. You see, they declared war again last night on the birds. States, they said in a flyer taped to my door they day before in somewhat surreptitious fashion.

This warning said that this was the second year of the war against starlings. No time for me and you to prove no time for us who love birds to have our say about stopping the war.

This year, there was not an overabundance of starlings. I walked around the deadly area, the arena of battle, and saw little evidence of starlings, as we've noted daily all summer long.

But 'tis said. Some one complains. No one is asked. Birds are driven out of their minds, and people also.

The teams of bombers, uniformed police, rifles, cars, machinery, police, handbags — and the great bangbang begins. You're dead bird.

This is war. We ain't just kidding. This is the trenches, and we are big boys, and we're gonna have a reunion someday, too, old buddies.

Where has the sanitation department been all summer flies, squirrels and dastardly other marauders infested this no man's land where now no birds sing?

Without the birds to eat most of the insects, quietly thereby resisting in or plaguing our infections, we might in the future wish the birds were back and all quiet on the Granite City front.

So, watch it, sanitation department.

Wilson School cubs start new program

Cub Pack 122 will hold its first pack meeting of the new school year at 6 p.m. Tuesday at Wilson School.

Cub Scouts, Webelos and Boy Scouts will take part in an "Olympics" program with a variety of sports, jump, push-ups, sit-ups and other events, according to Jean Stout, pack chairman. On Thursday, Sept. 25, the cubs, webelos and scouts will participate in a "Scout Roundup," starting at 7 p.m. at Wilson School.

All boys interested in joining Cub Pack 122 or Boy Scout Troop 122 are invited to attend the roundup activities to learn more about the scouting program. Mrs. Stout said. She will be assisted by Ray McGee and Jim Stout.

To help raise money for various trips planned by Pack 122, the boys and their mothers held a car wash last week at the Fire Station, 3400 Pontoon Road.

Taking part were pack members Jimmy Stout, David Stout, Denny Legate, Jerry Lipchick, Ricky Daves, Billy Yarbrough.

NAACP SCHEDULES MEETING THURSDAY
The Madison Branch of the NAACP will conduct a special call meeting of the branch Thursday at 7 p.m. at the Southern Baptist Church.

Items on the agenda include the annual meeting of the branch and the fifth annual award tea. "This will be the fifth year awards have been given."

Also scheduled for the next month and in February, Highland in November and April, and Alton in December and March.

\$5 million expansion is planned by Michigan Metals

Michigan Metals Processing Corp. is applying for a grant for a \$5 million expansion of its facilities, which would create 20 jobs by 20 to 50 persons.

At last week's Madison County Board meeting in Edwardsville, the board's legislative committee in-

formed the board members that the company is seeking, through the county, an Urban Development Action Grant (UDAG) to help finance a \$5 million expansion project to provide pickling capabilities.

The company would be sought from a variety of sources, including a UDAG grant, for the project, the committee reported.

Public hearings on the grant application will be required and the county board will be asked in the future to formally approve the project.

Diabetes tests set Friday

Free diabetes tests will be conducted Friday, Sept. 26, from 9 a.m. to noon at St. Elizabeth Medical Center, 2100 Madison Ave., by The Greater St. Louis Affiliate of the American Diabetes Association.

For accurate testing, a person must have eaten at least 100 grams of carbohydrate in the two hours prior to the test. They must not eat or drink anything else in the two-hour period.

Carbohydrate values of common foods may be obtained by calling the Association at 968-9136 or area pharmacies for a free schedule.

Known diabetes will not be tested.

ADDRESS INCORRECT
William Burney, who was arrested last week, does not reside at 2406 Grand Ave., the residence of that address said Friday. That address was apparently inaccurately given in official police reports, it was indicated.

TREATED FOR CUTS
Kirkpatrick Homes, Paul Barnett, 15, was treated early Saturday for lip, nose and eye injuries. Also kicked in the face and struck in the back of the head with a pool cue, Paul Fisher, 46, of 12 Lakeview Drive was treated for face and head cuts and bruises. Struck on the head with an unknown object, Danny Compton, 29, of 2633 Lincoln Ave. was treated for an ear laceration. All were released after emergency care.

Picnic, hayride for seniors Wednesday

Granite City Township senior citizens are being reminded that a free picnic and hayride for them, arranged by Township Supervisor Nelson Hagnauer, will be held in Wilson Park, beginning at 6 p.m. Wednesday.

A Wiener roast will be held at the ice rink, followed by the hayride. At 7 p.m., an orchestra will provide music for dancing in the park pavillion.

Transportation from the township building at 2060 Delmar Ave., for some seniors is being arranged. Others, wishing rides from their homes, may call 877-8884 for reservations.

City noted that a new state law signed this week by Gov. James Thompson prohibits employees who voluntarily quit their jobs from collecting unemployment compensation.

He said county employees should be advised of the new law.

WOMAN STABBED
Miss Kathryn Biggs, 30, 1927 Fifth St., Madison was admitted to Saint Elizabeth Medical Center at 9:20 a.m. Sunday, suffering a stab wound to the abdomen. The stabbing is believed to have occurred in St. Clair County. No further details were available this morning.

STUDENT HOUSE BURNING
A house at 2138 Hamilton Drive, being built by the Granite City School District 9, housing trade program was discovered burglarized at 4:10 p.m. Sunday. Forced entry was made and power saws with a value of \$450 were taken.

WRONG APARTMENT
Paul W. Solomon, who was arrested last week following a disturbance in Kirkpatrick Homes, does not reside at 4905 Kirkpatrick Homes, as was reported. He resided there said Friday. She said Solomon resides in the 3300 block of Kirkpatrick Homes.

OFFICIAL PUBLICATION

NOTICE OF PROPOSED CONSTITUTIONAL AMENDMENT

Pursuant to law public notice is hereby given that the following proposed amendment to the Illinois Constitution will be submitted on a separate blue ballot to the electors of the State of Illinois for adoption or rejection at the General Election to be held on November 4, 1980.

PROPOSED AMENDMENT TO SECTION 1, 2 AND 3 OF ARTICLE IV
(Proposed changes in the existing Constitutional provision are indicated by underscoring all new matter and by striking out all the matter which is to be omitted.)

ARTICLE IV
SECTION 1. LEGISLATURE.
POWER AND STRUCTURE.
The legislative power is vested in a General Assembly consisting of a Senate and a House of Representatives, elected by the electors from 59 Legislative Districts and 118 Representative Districts.

SECTION 2. LEGISLATIVE COMMISSION.
(a) One Senator shall be elected from each Legislative District. Immediately following each decennial redistricting, the General Assembly by law shall appoint to fill the vacancies in the Legislative Districts as equally as possible into three groups. The first group shall be elected for terms of four years, four years and years. The second group, for terms of four years, two years and years. The third group, for terms of four years, two years and years. The Legislative Districts of each group shall be distributed substantially equally over the State.

(b) Each Legislative District shall be divided into two Representative Districts. In 1982 and every two years thereafter, one Representative shall be elected from each Representative District for a term of two years. Three Representatives shall be elected from each

legislative District—for a term of two years. No political party shall limit its nominations to less than two candidates for Representative in any Legislative District.

In the year following each Federal decennial census year, the General Assembly by law shall redistrict the electors of the House of Representatives and the Representative Districts.

If no redistricting plan becomes effective by June 1 of that year, a Legislative Redistricting Commission shall be constituted not later than July 10. The Commission shall consist of eight members, no more than four of whom shall be members of the same political party.

The Speaker and Minority Leader of the House of Representatives shall each appoint to the Commission one Representative and one person who is not a member of the General Assembly.

The members shall be certified to the Secretary of State by the appointing authorities. A vacancy on the Commission shall be filled within five days by the authority that made the original appointment. A Chairman and Vice Chairman shall be chosen by a majority of all members of the Commission.

Not later than August 10, the Commission shall file with the Secretary of State a redistricting plan approved by at least five members.

If the Commission fails to file an approved redistricting plan, the Supreme Court shall submit the names of two persons, not of the same political party, to the Secretary of State not later than September 1.

Not later than September 5, the Secretary of State publicly shall draw by random selection the name of the two persons to serve as the ninth member of the Commission.

Not later than October 5, the Commission shall file with the Secretary of State a redistricting plan approved by at least five members.

An approved redistricting plan filed with the Secretary of State shall be presumed valid, shall have the force and effect of law and shall be published promptly by the Secretary of State.

The Supreme Court shall have original and exclusive jurisdiction over actions
